

Yasmine Learning Stations

At every station, my Arabic grows.

Level 1 - My First Arabic

I recognize my first set of Arabic letters and their sounds and begin sounding out short words.

Level 2 - My Letters

I learn the remaining Arabic letters, recognize and write them, and sound out familiar three-letter words.

Level 3 - My Letters and Words

I recognize different letter forms within words and practice joining letters and separating words into individual letters correctly.

Level 4 - My First Words

I read and write simple three-letter words without long vowels and write familiar words from dictation.

Level 5 - Reading with Vowel Marks

I read words with short vowels, sukoon, and tanween, break them into sounds and syllables, and blend them back together.

Level 6 - My Words and Sentences

I distinguish short vowels from long vowels, build and expand sentences, and read and write short paragraphs.

Level 7 - Reading with Accuracy

I apply shadda, tanween, taa marbuta, and the sun and moon letter rules in reading and writing.

Level 8 - I Read and Speak

I read aloud clearly with appropriate expression and speak about familiar topics using connected sentences.

Yasmine Learning Stations

At every station, my Arabic grows.

Level 9 - I Understand and Express

I identify a text's main idea, key elements, and details and retell it in my own words.

Level 10 - I Read and Discover

I understand texts, make inferences to answer questions, and accurately write a paragraph from dictation.

Level 11 - My Pen

I plan texts with an introduction, body, and conclusion and write short narrative, descriptive, and informational texts.

Level 12 - I Share My Experiences

I use past-tense verbs with first-, second-, and third-person pronouns to speak and write about events.

Level 13 - My Beautiful Arabic

I use present-tense verbs, negatives, questions, and linking words in reading, writing, and organized expression.

Level 14 - My Well-Crafted Sentences

I build accurate, connected sentences and use pronouns, possessive constructions, prepositions, and grammatical agreement in speaking and writing.

Level 15 - My Creative Pen

I combine my skills to understand longer texts, write a multi-paragraph text, and present a language project.
